2016-2017 Treasurer's Reports: Presented by Jeff MacDonald (Treasurer)

- Report Issued to Members (Annex C)

- Audited Financial Statements for 2016-2017 presented to membership

Motion to accept the audited financial statement by: Jeremy Drumm

Second by: Brent Fehrman

Question / Answer Period: The goal of minor hockey is to break even as a non-profit, it is okay to have a dollars on hand but not thousands; the point of the term deposit is for emergencies as our constitution states that we must be able to provide an interim response to our own ice centre not being available; Clarification was requested on the numbers from last year as at some point during the year, OMHA posted that CDMHA registered more than 600 participants.

Motion Carried

- Unaudited Financial Statements as of April 2018 presented to membership

Motion to accept the unaudited financial statement by:

Question / Answer Period: these were not available at the time of the meeting
Motion Carried

- Proposal for Auditors: Continue with current Auditor Brownlow Partners
Motion to retain Brownlow Partners as our auditors by: Paul Makey
Seconded by: Beth Wise
Question / Answer Period:

Question Answer Period: Presented by Jamie McMaster

Question: Alison Hodge requested that the association speak to Southern Counties about the way playoffs are run. The Bantam and Midget ages had Rep teams move down to the AE level for the playoffs. The suggestion is to have the AE level move up to Rep if there is not enough teams in the Rep division and then divide the division into A, B, C if necessary. The AE teams would still be classified as AE teams for tournaments. This apparently also happened at the PeeWee level.

Answer: This will be taken to the OMHA and Southern Counties for review and discussion.

Question: Would we consider moving centres from Southern Counties to another loop?

Answer: This can be done, it will take a bit of time and discussion, every member of the Association would need to vote on the move and once the move is done, there would be no returning to our current loop. It would also still need to be sanctioned by Southern Counties and OMHA.

Constitution/Policy Amendments: Presented by Jamie McMaster

Treasurer's Report

INDEPENDENT AUDITOR'S REPORT

To the Directors of
Caledonia and District Minor Hockey Association Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Caledonia and District Minor Hockey Association Inc., which are comprised of the statement of financial position as at April 30, 2017, and the statements of revenues and expenditures, net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Qualified Opinion

In common with not-for-profit organizations, the Organization derives revenue from cash transactions including \$44,527 of gate admissions, \$2,880 of registration and tryout fees, and \$2,048 of tournaments recognized during the year. The completeness of these cash transactions is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures and surplus.

Qualified Opinion

In our opinion, except as stated in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Caledonia and District Minor Hockey Association Inc. as at April 30, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Annex C Treasurer's Report

CALEDONIA AND DISTRICT MINOR HOCKEY ASSOCIATION INC. NOTES TO THE FINANCIAL STATEMENTS APRIL 30, 2017

1. PURPOSE OF THE ORGANIZATION

The purpose of the Caledonia and District Minor Hockey Association Inc. is to promote, govern and improve minor hockey in Caledonia and District as well as operate a minor hockey league. The Organization is incorporated as a not-for-profit organization and is not subject to income taxes.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

(b) Capital Assets

Capital assets are charged to current operations in the year of acquisition. During the year, the Organization did not purchase any capital assets (2016: \$11,430).

(c) Use of Estimates

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may vary from the current estimates. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the periods in which they become known.

(d) Contributed Services

Volunteers contribute numerous hours per year to assist the Organization in carrying out its activities. Due to the difficulty in determining their fair market value, contributed services have not been recognized on the financial statements.

(e) Deferred Revenue

The Organization held early registration for the 2017/2018 hockey season, which begins in September 2017. The registration opened in April 2017. The funds received prior to April 30, 2017 for the 2017/2018 hockey season have been disclosed as pre-registration fees.

(f) Revenue Recognition

The Organization follows the deferral method of accounting for contributions. Registration fees are recognized as revenue in the year of the respective hockey season. Interest income on term deposits is recognized as revenue when earned and accrued to the principal balance of the deposit. Other revenue is recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Annex C

Treasurer's Report

CALEDONIA AND DISTRICT MINOR HOCKEY ASSOCIATION INC.
NOTES TO THE FINANCIAL STATEMENTS
APRIL 30, 2017

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(g) Measurement of Financial Instruments

The Organization initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions. The Organization subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and term deposits.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

The Organization has not designated any financial asset or financial liability to be measured at fair value.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in surplus. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in surplus.

3. FINANCIAL INSTRUMENTS

Risks and Concentrations

The Organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the Organization's risk exposure and concentrations at April 30, 2017.

(a) Liquidity Risk

Liquidity risk is the risk that the Organization will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

(b) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Organization is mainly exposed to interest rate risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Organization is exposed to interest rate risk on its fixed interest rate term deposits, which subject the Organization to a fair value risk.

4. ECONOMIC DEPENDENCE

The Organization's operations are dependent on its ability to rent ice from Haldimand County. Their annual contract with Haldimand County accounts for 52% (2016: 50%) of total expenditures for the year.
