Errors and Omission:

Reports:

Ice Scheduler's Report – John:

- Many ice cancellations (games & practices) due to COVID protocol
- Due to government announcement, all ice cancelled from January 5 to January 25 inclusive - difference in dates of shutdown from government to January 25 & OHF/OMHA to January 26 - will cancel January 26 ice when a concrete direction is known
- Total regular ice cancelled to January 25 is 162 hours with a cost of \$21,500
- Ice cancelled for Challenge Cup
- Waiting for direction from Southern Counties & Haldimand LL on how the season will progress after shutdown
- U9 LL will play full ice games upon return
- Completed U9 LL full ice game schedule - to start games on January 30 - each team to play 6 games
- Discussion topic - secure additional ice over weekly allocation if warranted after shutdown? – there is possibly ice available Tuesday at 5 pm, some Thursdays at 5 pm and earlier in the am on the weekend (weekend ice is not useful since we have so much ice already). We may need the extra ice if we cannot extend the season.

Registrar's Report – Mike:

- Members in Arrears – there are 7 outstanding registrations; 4 of the 7 are outstanding for the last installment only – 3 have been outstanding since the beginning of the season. If these are not paid by the time we come out of the shut down, they will not be allowed to attend the ice. Some families who were in arrears have followed up with the Registrar and paid outstanding

fees (updated cards) others have not answered multiple emails. Michael will send another email once we have the return date and advise coaches and convenors.

VP of Rep/AE Report – Beth:

- There was a player who we sent a request to the OMHA to have him rostered for the U18 AE team and was approved on 23 December 2021. He has been approved for the season. He has been approved on roster and all information cleared with Hockey Canada.
- U9 Rep will be going to full ice games when we return. They are tiering the teams based on assessment from the coaches and then group them.
- There were a number of games not completed due to COVID protocol. Southern Counties decided a few of the teams would just move into the playoffs but some levels will need to complete the “regular” season before moving into the playoffs based on the number of games played.
- The trophies from the season before COVID are ready to be picked up and put back in the display.

VP of Local League Report – Erin:

- U8 and U9 will no longer be split
- See Annex D – LL Final Days - looking to complete the regular season – take the team with the most number of games and bring everyone up to the same number of games (this is workable in most levels);

Minor Novice/IP Convenor/Coordinator Report – Kelli/Paul:

- Should we not move forward with the Bulldogs game at the end of the month due to the unknown of COVID. Motion to cancel the Bulldogs fundraising by Paul Reilly, seconded by Arli Harrison. Motion passed. The money will be refunded to the participants. If something changes we could possibly look at another date in the future.
- There will be no IP2 games moving forward due to the COVID protocol

Development Convenor Report – Mark:

- Development was going very well before the shut down and hopefully we can get back going; we could possibly look at extending the dates once we determine when we get back if there is ice available (4 missed times and 5 missed times) - might go right until the end of March

Equipment Manager’s Report – Leanne:

- No Report Issued

Gate and Time Keeper Convenor Report – Traciann/Beth:

- No Report Issued

Treasurer’s Report – Jeff:

- See Annex A.
- There were three options sent by BMO for the term deposit which we need to take from the amount of the bank balance and re-invest. All of these options will not lock in the funds but allow us to set it up for 5 years with the most amount of interest for the Association. Motion to lock in the term deposit for 5 years to automatically renew but it can be redeemed at possibly 1.2%. Seconded by Traciann Fisher – motion passed.
- We will leave out \$15000 for the amalgamation fees (if needed) at this time. \$150000 will be put in the term deposit

Website – Arli:

- No Report Issued

Challenge Cup – Beth:

- Here is an updated Budget for Challenge Cup. Unfortunately, most of the stuff had already been bought/paid for. All of it (except possibly...hopefully..the COVID wristbands) will be able to be used next year for the tournament, in whatever form it is run. The only thing we will need to do is have labels made up for the Champion and Finalist medals with the new year and the Champion hats will need to be embroidered, they hadn't been sent out yet.
- Gamesheet had already uploaded rosters and the schedule but they were kind enough not to charge for any of that. They had already shipped out the rental iPads so I had to pay for the Fed/Ex charges and then I had to pay to Fed/Ex them back.
- I am thinking that we should get the \$480 back from the OMHA, I should log in and do the reconciliation and show no games were played but I can't do that until after the actual dates for tournament.
- The only other expense we may be able to get out of is the fee for the Tournament Website from MB Sports. Jeff, do you have a contact there we can ask. Although in the grand scheme of it, it won't save us very much anyway. We did get a credit for this.
- As discussed with Jeff and Traci, I am working with the teams to facilitate refunds. Instead of Jeff or paying BMS to do 60 cheques, we are going to do most of the refunds by etransfer. CDMHA will cut a cheque to me for the amount of etransfers and I will send them off. I have a spreadsheet (copy attached) that I am putting together so that we can keep that as evidence in case any questions come up down the road from BMS or Brownlow.
- See Annex C

VP of Business Report – Lisa:

- Would like to consider returned to the AtoMc jersey program for the 2022-2023 season. This might help with the issue for the jersey fit. Registration is March 2022.

Secretary Report – Traciann:

- Picture Day can be booked for February. We need to decide a weekend and I will finalize. See Annex B – most teams are in for getting photos – not sure now with this new lock down what will happen
- I only have two names from Mark Annett for the mask exemption
- Affiliated Players – these must be on the approved roster before they can step foot on the ice. AP's can AP only with teams considered to be in a higher category (from the P&P):
An U11 house/local league player may affiliate with U11 AE, U11 Rep, or any U13 team
An U11 AE player may affiliate with U11 Rep, U13 AE or U13 Rep
An U11 Rep player may affiliate with the U13 Rep team only
- Awards for this season – will send out something to the coaches to be prepared for the return to hockey. Information to be provided at the next meeting.

President Report – Brent:

- The next meeting is 7 February 2022 at 6:30 pm – TBD virtual or in person
- We have agreed to pay the fees for Referee training for those new referees from Caledonia.
- Jersey Tender – Leanne Tinebra will take the lead as the Equipment manager on the Jersey Tender. We will look at splitting the Tender in the event that Rep/AE goes to amalgamation and then have a quote for LL.

Open Business:

- **Action:** Amalgamation/Partnership
- **Discussion:** Meeting this Thursday and presentation later this month (27 January 2022) to the OMHA – if the money needs to be put up – it would be required for late February. The proposal

will be fine tuned and await direction from them soon after. If it is approved, the next steps will be elect 5 directors to sit on the new Rep Board.

- They will be looking for someone to do the scheduling for the Rep/AE amalgamation – John Kichinko will let Brent know if this is something he is interested in. This will change the ice allocation for CDMHA if this goes through.
- The 5 people will report back to each LL as to what is going on – we will still have a Caledonia Board – information from the OMHA will go to the newly formed board and then the responsibility of the 5 members to take it back to the home centre. We could lose buying power regarding Jerseys – we could discuss coordinating with the other LL centres.

Benefits for your league

Future Stars offers several types of agreements to give your league the freedom to choose the option that best suits your budget! Our offers include the following with the price per athlete dependent on the total number of enrolments in the league. (The higher the number of players, the lower the cost to the league)

Caledonia & District Minor Hockey - based on 450 registrants

(pricing below reflects a digital download of the photo product provided directly to the athlete)

- A) Pro-Photo – Parental – no cost to the league
- B) Pro-Photo - League Buy – “Player Deluxe Combo – Team and Individual” - \$9.95 per athlete
- C) Traditional - Composite Team Photography – League Buy – “Combo – Team and Individual” - \$5.95 per athlete

Giving Back to Your League

1. Promotional Sponsorship based on enrollment (Future Stars name on the jersey)
2. 1 6x8 Deluxe Team Photograph for each coach photographed
3. 1 8x10 Deluxe Team Photograph with thank you message for each team
4. 15% discount for Sponsor Plaques.

Plak-It Size	Retail Price	Your Price
6 x 8	\$20.00	\$17.00
8 x 10	\$25.00	\$21.25

Also, one 3-hour make-up session is included for no additional charge.

Benefits for your membership

Parents and players will have a more positive photo day experience when working with Future Stars than any other photo company. Our pro photography is unlike any other services offered in the area, making for a unique photo product that is perfect to preserve a child’s memory or to give as a gift! Our new process to eliminate the need for order forms shortens the amount of time parents spend on picture day, as well as creates a stress-free day.

Photo Day Process – It’s ALL NEW!!

The way our photo day works is simple, easy, and makes for a stress-free photo day!
We’ve broken it down into simple steps to be taken before and on photo day.

Pre-Photo Day

1. We book your photo days and times in advance.
2. We provide you with a digital roster template and you email it back to us 2 weeks before your shoot date(s).
3. We email you a PDF that you send to parents and post on your website. The PDF details how the program works and what, if anything, the players will receive courtesy of the league.

A Fast and Easy Photo Day

1. Coaches will be provided with barcodes on the day of the shoot for each of their players that have been pre-printed using the digital roster provided by your league.
2. Players proceed to the photo station where we take 2 individual poses for the “Pro” option, or 1 individual pose for the “Traditional Composite Team” option. No group photo is taken.
3. The photographer gives the barcode card back to the player so that the parent can scan the QR code by the pre-determined date to view their player’s images online.

That’s it!!

We provide a mail-to-home service for any additional orders placed by parents. In the case of a league buy, the league product will be in the form of a digital download which parents would visit our online gallery to claim. The league is no longer required to hand out orders! Other options also available.

Calendar/Availability

For the traditional green screen option, we can provide up to four photographers that can photograph 4 teams per hour, at 15 minutes per team. For our “Pro” option, 20 mins per team is required. Minimum space is 15’ x 15’ per photographer. Location of photoshoot is decided by the league, usually taking place at the arena or community centre gym. Photos can be scheduled to be completed in one full day agreed upon beforehand or can be taken over several nights in smaller time frames. Photo dates will be booked on a first come first serve basis. No staffing by the league is required. However, having a league rep who is familiar with the teams is helpful for a smooth day!

Term

Agreements can be made on a 1-3-year basis.

IF Haldimand agrees to extend too, that might work out.
I think Cayuga would be accommodating with hosting a final day into April - if we can get the ice.
Not sure what people's thoughts would be on the Saturday of Easter weekend (just throwing it out there).

If only we knew what the province wasn't going to do with the closures :)

Although the city has not given us a concrete commitment, it looks like they may leave the ice in at Glanbrook for an additional 2 weeks, up to April 15, if we decide to go that way..

I know that is not exactly the news we were after, but it is better than I thought we would get..

The 3 weeks we are losing now, plus the week we lost at Christmas, will probably not allow us to get the whole season in.. I would be on board with trying to extend the season, but I doubt that the city will leave the ice in at Glanbrook, which would mean that we would have to play our home games somewhere else in the city.

My main concern was that teams in each division get the same number of games, whether that be 25, or 30, or whatever the number might be, at least it would be equal. You`re right, I do not want to have to be dealing with refunds, but at least if it is equal, it will take that argument out of the equation..

Hello,

Why are we not looking at the possibility of extending the season into April?
Haldimand County was accommodating to that last season.

I agree that families will expect a full season for their money - I don't think any of us want to be refunding like we did last year.

IF we start back when expected, we're looking at losing 3 weeks - I would think the county would like to recoup some of those rental fees as well.

We are still going to run into a referee issue - and trying to condense the rest of the season into a shorter timeframe, is probably not going to solve that issue.

Just my thoughts,
Katherine

My thoughts. Each team needs to play equal number of games to get standings.
U11- cap games at 14, teams over that number take off last games until they get to 14. Dunnville 1 and Caledonia 1 play home and home to get them to 14.
U13-same format cap games at 15, Glanbrook 3 play Hagersville 1 and Cayuga 2 brings them up to 15
U15- cap at 14, lower teams play each other until they get to 14.
U18- cap at 13 lower teams pkey each other.
After all this start theA-B split

Hi Everyone.

We are hoping to Start up the Season Again. If and when we are allowed.

It looks like all those canceled games will not be played as the time allowed will not allow us to get all these games in and move onto the A/B split.

John has come up with a Formula for the U 11- U 18 Divisions. Some might be Happy and some might not. But we have to figure out something to Re Start. The Re start date for U 11 - U 18 could be January 30th. There is only 6 weeks until the March Break. That said, it looks like the U 11 - U 18 Teams will play a shorter A / B split. This is because of possible shorter A / B splits and the NO Refs problems. Allowing some Buffer time. Each Division will play 6 - 9 games for their A / B split. The top 4 teams will go onto the Semi Finals the week of March 21 - 25. With the Final in Cayuga March 26th. (Pending)

The U 9 will also be shorter with a 6 game Full Ice schedule. There will be No standings for the U 9 Divisions. The U 9 could start back up January 30th and end March 10th. With a possible Home team Final in their Home center, with exception of Cayuga only having 1 team. This is Not a championship round for the U 9 teams. Just a season send off for the teams.

Look it over.

Thanks
Randy

This one is a little messy as Cay 1 has more points but lower winning % as they have played more games than Glan 2 & Hag 2

Cay 1 - 3 games left against Glan 3, Hag 1 & Hag 2

Hag 2 - 6 games left against Cal 1(2), Glan 1, Hag 1, Cay 1 & Cal 2

Glan 2 - 8 games left against Cal 1(3), Glan 1(2), Glan 3(2) & Cal 2

Cay 1 has played all the stronger teams already with their remaining games against the weaker teams

Hag 2 has played evenly against strong & weaker teams with their the majority of their remaining games against the stronger teams

Glan 2 has played evenly against strong & weaker teams with their remaining games split evenly between strong & weak teams

Division A - 4 teams - Cal 2, Cal 1, Cay 1 & Glan 2

Division B - 4 teams - Hag 4, Glan 3, Glan 1 & Hag 1

Division B - 4 teams -
